

CREATING PATHS TO PROSPERITY

In Communities of Hope, we believe in transforming landscapes and lives. We care about human rights, access to water and sanitation, food security, education, health, agriculture and the economy.

Kazoza Impact
Ventures Fund

Our mission :

Investing in businesses that generate revenues while addressing drivers of deforestation
Promoting equal economic opportunities to women, youth and indigenous communities

Our impact :

Participating actively in the conservation of the Kibira National Park
Building climate resilience in fragile communities
